

**Thought you knew Las Vegas?**

## Las Vegas ~ Imagination to Reality

Lindsay Heberd

**Think again!**

### The Definitive Tabletop Photo Book on Las Vegas

Las Vegas resident **Lindsay Heberd**, renowned photojournalist and world traveler, devoted five years documenting greater Las Vegas, resulting in a selection of 553 photographs that range from never-before-seen aerials of The Strip and Downtown taken from a blimp to the incredible range of entertainment, events and community activities this city offers. ***Las Vegas ~ Imagination to Reality***, a 280-page, large-format, hardcover book, is differentiated from other commercial photo books about the area by its quality, quantity and diversity of content. Each subject is treated with visual integrity and accompanied by in-depth, informative captions presenting a positive and expanded view of Las Vegas. Heberd reveals how the area's culturally diverse residents live, work and play, their festivals, ceremonies, charitable events and celebrations, and introduces subject matter not widely known. *If you like Las Vegas, you will love this book.*

***Las Vegas ~ Imagination to Reality*** is a limited-edition, independently-published book **not** sold retail in bookstores.
